HÔTEL-SPA ★★★★★

The art of entertaining is the Keff family's guiding principle.

Hospitality, generosity, and warmth embody their family values in a nutshell. The Domaine's unique décor, creative cuisine, and the importance of well-being within its magnificent SPA area add a slight twist of modernity to the Estate's authenticity.

Mathilde and Alexandre, at the helm of the Domaine, ensure their teams provide an unforgettable and perfectly executed experience with exceptional services for their guests.

On one side, you can discover the renowned Auberge de la Klauss, which attracts local gastronomy fans from around the region, thanks to the quality of its produce grown on its free-range farm and gardens, as well as two finely stocked cellars brimming with exceptional wines.

On the other side, there is the Domaine de la Klauss with its Gemology SPA and two restaurants, the K and the Komptoir, that ensure you enjoy a unique and luxurious well-being experience in the Three Borders Region.

The Family Keff and their teams wish you a pleasant stay at the Domaine de la Klauss.
